To join the call, please dial (b) (6)

GWPC AE Working Group members and EPA participants:

The purpose of this pre-New Orleans conference call is:

to develop the best possible agenda for our limited time in New Orleans:

- briefly acknowledge the attached progression of comments and documentation
- focus discussion on the latest set of state comments regarding the SOB (9 items)
- make necessary modifications to the agenda based on our discussion
- determine things that New Orleans meeting attendees need to do in preparation to improve productivity

Attachments include:

1. August EPA SOB draft document with Working Group suggested changes,
2. Working Group general comments on the draft SOB,
3. EPA Comments on Working Group comments,
4. Working Group Comments on EPA's Comments
5. the Agenda for New Orleans.
